21 September 2011

Dear Mulberry Silk,

On behalf of the Starfish Greathearts Foundation and the children we support we would like to thank you for your donation of blankets to one of our community based organisations, Thandanani Children's Foundation in the Kwa-Zulu Natal. Your contribution will go a long way to warm up the hearts of these children.

A note from Thandanani:

"Thandanani Children's Foundation recently received 48 fluffy warm blankets from Starfish Greathearts Foundation. The 48 blankets were distributed to three of our Pietermaritzburg operation areas, with at least 48 children benefiting. The caregivers were very appreciative of this donation especially with the evident high quality of the blankets received. On behalf of Thandanani and its beneficiaries we would like to thank Starfish and its contributors for their generosity."

Starfish is currently making a significant impact in many communities across all of South Africa's provinces who support thousands of children. The communities provide various services to the children such as home visits, counselling, access to education and social grants.

With your on-going support Starfish is able to continue reaching out to children in need. Without the support of people like you we would be unable to reach our goals and strive for even greater ones.
